- React
- C Programming Language
- C++
- Angular JS
- Java
- Web-based software engineering
- IoT

Experience

Software Engineer Intern - March 2021 to Current

The Zuri Team, Lagos, Nigeria

- The Zuri internship is a 4-month, online learning in partnership with Ingressive4good. Two months training and two months project phase. Develop project concepts and maintain optimal workflow.
- I'm learning the fundamental concepts of software development in diverse ways: recorded and live video sessions, training modules and chats with the instructors, mentors and peers.
- Every week, I do assignment(s) and the instructor assesses my work (on a Pass/Fail system).
- The program gives me a platform to hone my skills and partake in vast projects which builds me up for the tech world.
